## FEATURED LOCAL ARTIST

### Jaimie Nagle

Jaimie Nagle developed a small batch pottery that began as a home garage studio. Jaimie's focus is making functional art (emphasis on the fun) that is crafted slowly and with intention. Each piece is one-of-a-kind, but also made to mix and match so you can build a collection. Icky Love Pottery subscribes to the belief that art should be integrated into your everyday life. The goal is to invite the community to be part of the making process, whether you are an appreciator or artist.
